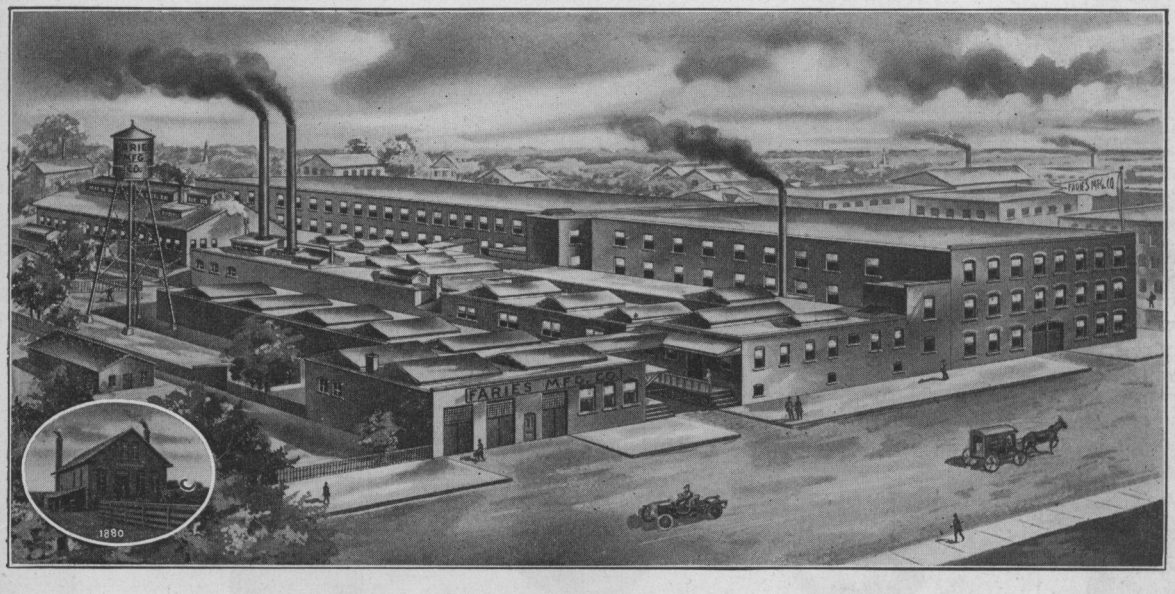
Gas, Electric and Combination Brass Fittings ¶ Brass, Bronze and Aluminum Castings ¶ Spun and Stamped Brass Goods ¶ Automatic Turnings, Etc.

Manufactured by

Faries Manufacturing Company

General Office and Factory
DECATUR, ILLINOIS
U. S. A.

THE HOME OF THE FARIES LINE



Factory and General Offices of

FARIES MANUFACTURING COMPANY

At Decatur, Illinois, U. S. A.

TO THE TRADE

We take pleasure in presenting you our No. 21 Catalogue showing a variety of our latest designs in Brass Fittings, Turnings, Stampings, Spinnings, Castings, etc., for Gas, Electric and Combination Fixtures, also a line of Iron Fittings.

The same high quality will be maintained in these goods that has kept the Faries Fittings recognized as Standard in the trade since 1880.

We are continually adding to the different classes of goods shown and if at any time you do not find what you want, write us, we may possibly have the goods in stock or we will be willing to make them for you.

PACKING—Our charge for boxing will always be reasonable, charging only enough to cover cost of material used in putting up goods.

CARTAGE—No charge will be made for cartage.

FINISH—When ordering, state finish desired. If none is indicated, we will always ship unfinished unless otherwise specified, excepting on pages 54 to 60 inclusive, 100 and 101, 143 to 147 inclusive, and 154 to 180 inclusive, which will always be shipped brushed brass unless otherwise specified.

We will finish the unfinished material listed at the percentage for finishing marked upon each page. This percentage is added to the list price and is subject to our trade discount. We will furnish Polished Brass, Brushed Brass, Oxidized Brass or Black Iron at advanced price specified upon each page for finishing. Oxidized Copper, Nickel or Acid Bronze at 10 per cent advance over finishes mentioned above.

Brass Castings shown upon pages 182 to 382 will measure to a scale of about one-half size, excepting on pages otherwise specified. They are made of bright dipping brass and are furnished in the rough unless specially ordered otherwise.

QUOTATIONS—Quotations furnished for special work upon receipt of samples or specifications.

PRICES—Prices are given in connection with each cut and supersede all former prices or quotations on goods shown in this catalogue.

Discount to the trade will be quoted upon application. Prices are subject to change without notice.

TERMS—Net thirty days from date of invoice, or 2 per cent for cash within ten days.

REFERENCES—Unless you know yourselves to be well reported by the commercial agencies, money should accompany order, or satisfactory references be furnished.

C. O. D.—We will send goods C. O. D., but as a guarantee of good faith the parties so ordering will be required to remit with order an amount sufficient to pay transportation charges both ways, which will be deducted from the bill.

HOW TO ORDER—When ordering please use catalogue number and name of goods, please do not use the words "same as last." Also state whether the goods are to be sent by freight or express. Unless preference is given, we will ship according to our best judgment and our responsibility ceases when we have obtained carrier's receipt in good order.

Claims for shortage or deduction must be made within ten days from receipt of goods. Goods returned without our consent will not be accepted.

Special order work is not subject to cancellation.

NOTICE—Brushed Brass Always Shipped Unless Otherwise Ordered

The Succeeding Pages Show Brass Castings

WE manufacture Brass, Bronze and Aluminum Castings of all kinds and we will be pleased to quote you prices upon receipt of samples, patterns or blue prints. If you have your own patterns, we shall be pleased to have you send them to us and let us make your castings. We can furnish you the right kind and at satisfactory prices. We have a fire-proof vault so that your patterns will be safe and will be used for your castings exclusively.

Aluminum Castings. We make a specialty of Aluminum Castings of the best quality at moderate prices.

We shall be pleased to have an opportunity to quote you upon this material.
